FEDERAL**

IMPACT: No Fiscal Impact

Summary of Legislation: This bill allows the cost for a driver improvement course required by a court to be determined by the course provider.

Effective Date: July 1, 2003.

Explanation of State Expenditures: Currently, the Bureau of Motor Vehicles (BMV) receives \$5 of the \$30 fee for a classroom presentation and \$5 of the \$40 fee for a distance learning presentation. The BMV uses the \$5 it receives to maintain its files regarding drivers who are required to take a driver improvement course. The fund affected is the Motor Vehicle Highway Account which supports the BMV. It is assumed that the BMV would continue to receive the \$5 fees, regardless of the cost as determined by the course provider.
